Subject: Continuous Masking Dropped on Monday - A "Let them Eat Cake" moment? We still have questions.

Importance: High

Timing is everything. "Let them eat cake".

Crumbs when the data is deleted yesterday and still no answers on Deena Hinshaw, Sheila Annette Lewis and more.

Now you know I have access to inside AHS, you know the Deena Hinshaw memo was real. SO WHY THE LIES?

Subject: Continuous Masking Update

Continuous Masking Update

Dear staff, physicians and volunteers,

AHS is rescinding the *Use of Masks During COVID-19 Directive*, effective June 19, 2023. As a result, AHS will no longer require continuous masking at all AHS facilities, including Continuing Care and contracted sites.

This applies to all patients, families, and visitors at AHS facilities, as well as Alberta Precision Laboratories, Covenant Health, CapitalCare, and Carewest sites. It also applies to all AHS and contracted staff, including physicians, midwives, students, volunteers, and contractors.

The decision to rescind the current requirement was made based on several factors, such as declining COVID-19 cases, testing positivity rate, wastewater data and hospital admission rates for respiratory illnesses in Alberta, as well as consultations with stakeholders including patients, families, advisory councils, clinicians and frontline managers.

AHS respects the choice to voluntarily wear a mask in all areas and encourages those who wish to wear a mask to continue to wear one. In addition, patients are encouraged to have conversations with their care providers regarding masking, hand hygiene, or other factors they feel are important to their care.

Any guidance regarding future continuous masking requirements will be based on several factors including, public safety, situational context, data and evidence, hospital impacts and extensive engagement with the workforce and key stakeholders.

Staff are required to continue to use [Routine Practices and Additional Precautions](#) as required by the [IPC Risk Assessment](#) to make personal protective equipment (PPE) decisions and to prevent the spread of infections. Appropriate PPE will continue to be available in all settings.

For more information, please see the [FAQ](#). We appreciate your patience as we work to update all relevant resources and documents.

AHS is committed to providing a safe and healthy environment. We are extremely grateful to all healthcare workers and would like to thank our key stakeholders, including our union partners and regulators, for their ongoing support.

Thank you for your dedication, adaptability and for all you do for one other and Albertans.

Sincerely,

Mauro Chies

AHS President & CEO

See you at the Legislature. I still have questions.

Subject: Critical Alberta Data deleted from the government server. WHY?

Following up from my previous emails on the Alberta COVID Data, Sheila Annette Lewis and more.

Please find these three self explanatory Tweets on the deleted data at Alberta Health. The devastating vaccinations of infants (FIFTY with 3 doses - 49 in one week), and the largest ever rollout of the banned Janssen vaccine ever seen. Adding 4,335 doses in 1 week.

And the government and media caught lying about an infant's death again. Blaming it on the late April 2022 wave and thinking no one would be able to find out the date because the data had been deleted from the government servers. Don't underestimate me. I was a police officer and advised the Police and Justice in this Province and Canada for a very long time. It is my job to catch these lies.
