

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean not wearing a mask?

But what if you are confronted with a sign that

Says, "Masks Required In This Area"?

Will you risk going in without a mask, knowing you

May face certain conflict?

What if you are confronted with a sign that

Says, "Masks Strongly Recommended"?

What if someone tells you in an authoritative tone

That masks are strongly recommended and

Points to a box of masks, will you put one on?

What if you are in a room where most people are wearing

A mask and just a handful are not?

Will you put on a mask, not understanding why?

Will you wear a mask, knowing it will break down communication?

Do you know why you should or should not wear a mask?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean not taking the Covid vaccine?

Lots are saying, "I have not taken any and never will!"

Others are saying, "I will not take another!"

Really? Are you willing to lose your job, your livelihood, your lifestyle?
Are you willing to make that sacrifice? Do you know what that means?
Are you willing to lose your home, all your belongings? Can you do it?
Can you put your children through this experience? Can you give up your car,

All your nice toys you enjoy? Are you willing to give up your retirement or your benefits?

If you weren't willing the first, second or even the 3rd time, what is different this time?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean giving up your business? Would you, when

You put so much time, money – so much risk into it?

Whether you are just starting out or well established, can you give it up?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean learning to advocate for your

Health or someone else's health?

Will you actually sit down and take the time to

Learn about your medications and why you are on them?

Will you actually take the time to learn about your health condition and why you have it?

Will you question your doctor, nurse, and/or pharmacist?

Will you take the time to research your medical procedure and/or treatment?

Or will you say, “I’m not a medical expert and I don’t know”, thereby shutting down your ability

To look on your own?

Does that mean providing Informed Consent, knowing you could lose your license to practice?

Does that mean questioning the policies and orders? Does that mean speaking out?

So many say, “Do Not Comply!”

What does that mean to you?

Does that mean inviting unvaccinated friends and family over for tea or a meal, knowing your vaccinated social circle will ostracize you?

Does that mean inviting people to your house of worship, un-masked and unvaccinated, knowing it will cause conflict and potentially lose people from your parish/congregation?

So many say, “Do Not Comply!”

What does that mean to you?

Does that mean giving up travel, your favourite painting class, your pickleball game,

Hockey game, friends, and family – essentially your social life?

So many say, “Do Not Comply!”

What does that mean to you?

Does that mean starting an investigation, even if it means dealing with push-back from your superiors and peers?

Does that mean starting to ask hard questions and arresting those responsible?

Does that mean holding those accountable?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean going to a rally in front of a hospital,

Fighting against a medical treatment?

Will you stand behind your words or will you fall like so many did?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean giving up so, so much to free up your time to research the government data

Putting it together to make it easier for others to understand?

Does that mean educating others everyday and posting on social media EVERY SINGLE DAY?

Being a thorn in the side of those who are the supposed protectors of society?

Calling out the Lies, Damned Lies and Sadistics at the Legislature once a week, even in the

Winter weather?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean taking the time to come out

To support a Scouser at the Legislature

Even when it's bloody cold out?

Even if it takes 2-3 hours of your time?

Where are you that came out 2 years ago but now cannot be found?

So many say, "Do Not Comply!"

What does that mean to you?

Does that mean donating to a cause of False Hope?

What can you possibly think will be achieved

Buying a t-shirt or ticket to an event?

Lies and Deception is what you will get!

So many say, "Do Not Comply!"

What does that mean to you?

It means sacrifice.

It means being uncomfortable doing what is right.

It means caring beyond yourself

It means standing up and thinking independently and not waiting for someone to tell you what to do.

It means not being afraid to challenge and ask questions, hard questions.

It means valuing life, whether it's your own, that of a child or an elderly person.

It means overcoming fear.

It means providing a written record of any adverse events you have experienced post covid vaccine.

Your doctor has to report it, it's not an option. IT IS THE LAW!

You may not see any recourse in providing a written record, but at least you can provide your story to your MLA and MP so they can't say they didn't know.

Talk is cheap and it's time to back it up with action!

So many say, "Do Not Comply!"

What does that mean to you?
